eSolutions Dynamics Named to Elite Microsoft Dynamics Inner Circle

DUBAI, UAE — 24TH AUGUST, 2007 — eSolutions Dynamics has been named to the Microsoft Dynamics™ Inner Circle, an accomplishment earned by firms whose sales achievement ranks them at the top echelon of the Microsoft Dynamics global network of value-added reselling partners.

"We are pleased to welcome eSolutions Dynamics into the Microsoft Dynamics Inner Circle for another year," said Tamer Elhamy, Business Solutions Manager, Microsoft Gulf. "By achieving Inner Circle recognition, eSolutions Dynamics is at the top level of the premier worldwide partner channel in the industry. We congratulate them and thank them for their commitment to Microsoft, our customers and solutions. Membership to this elite group recognizes outstanding partners whose commitment to customers is reflected in their constant dedication to achieving high levels of customer satisfaction, active pursuit of product and technological advancement, and impressive sales performance" added Tamer Elhamy.

This is the third time that eSolutions Dynamics has been awarded membership to the Microsoft Dynamics Inner Circle, and comes on top of more than 20 prestigious awards. eSolutions Dynamics is also a Microsoft Gold Certified partner, and been named many times to the Microsoft President's Club. Other honors include being named repeatedly as the Great Plains Middle East partner of the year, and the International Partner of the year for Great Plains. "I would like to take this opportunity to thank our customers for such success. Our main key performance indicator will always be our customer's satisfaction; we believe our success has been and will always be the result of fulfilling our customers needs". said Imad Choucair, General Manager, eSolutions Dynamics.

About eSolutions Dynamics:

eSolutions Dynamics, www.dynamics.ae, is a part of Mideast Data Systems (MDS), the largest IT group in the United Arab Emirates, IDC #EE01n4-MDS. eSolutions Dynamics provides professional IT services to help customers automate their core corporate activities to enhance overall operational efficiency. **eSolutions Dynamics** uses state of the art Enterprise Resource Planning (ERP) and Customer Relationship Management (CRM) Solutions to automate business and financial management activities. The company specializes in Microsoft Dynamics GP, Microsoft Dynamics AX, Microsoft Dynamics CRM,

Microsoft Office SharePoint Server, Microsoft Enterprise Project Management Solutions and Performance Management Solutions.

eSolutions Dynamics was established in 1996 and is today the largest Microsoft Business Solutions provider in the region with more than 90 implementations throughout the Middle East, Central Asia and Africa. Many of these implementations include major corporations requiring complex setup as well as integration to a range of external systems involving heavy data transfer.
